

## WHAT'S NEW

by Lynda Papesch

**T**he Massey University Food Awards 2008 winners were announced on Monday this week. Here are some of the products, awarded for excellence and innovation in food technology. They're worth trying.

**TEGEL FOODS DELUXE ROASTED CHICKEN:** From Wanaka to Whitianga, from Ranfurly to Raglan, busy families in heartland New Zealand can now enjoy healthy hot-roasted takeaway chicken, thanks to the innovation and excellence of this year's Massey Food Awards supreme winner. Perfectly cooked and packaged, Tegel's Deluxe Roasted Chicken is a delicious, healthy and convenient takeaway choice. Available at Four Squares nationwide.

**GREEN MONKEY BABY FOOD :** Great for mums on-the-go and 100 percent organic, you can't look past Green Monkey Premium Organic Baby Food for your baby. Green Monkey Baby Food is available in a delicious combination of pureed flavours and is an excellent way to introduce fruits into your baby's diet. Green Monkey Premium Baby Food requires no special heating, and is flat packed for convenience.

**SMART COOKIES:** Eat sweet and eat smart today. Cookie Time's new Smart Cookie has been designed for the school market and is the first sweet biscuit in NZ to achieve the Heart Foundation Tick. Smart Cookie tastes great, making it the perfect solution for keeping kids healthy and satisfied.

**TEZA JUICED TEAS:** Look out for the sexy new tea on the shelf. Teza Juiced Teas are batch brewed and the juices are added later, creating a genuine, delicious tea flavour with subtle fruity undertones. Available in four delicious flavours, Lemon & Mandarin, Velvetberry, Mango & Ginger, Peach & Passionflower. Teza Juiced Teas look and taste great.
